

## Packaging conditions Caldic Benelux N.V.

*Caldic supports the use of reusable packaging materials, in order to minimize your costs and limit the impact on the environment. Our support for the Responsible Care initiative illustrates this. Our terms and conditions of packaging can be found below.*

### 1 Rental

The rental period runs from the delivery date to the return date.

### 2 Packaging held by customers with paid deposit

**2.1** Packaging with a paid deposit remains the property of Caldic Benelux N.V. ("Caldic").

**2.2** The risk of loss and/or damage is transferred to the customer on receipt.

**2.3** The customer is expected to check that the packaging is in good condition on receipt. Unless a complaint is made in writing immediately, the packaging will be deemed to have been received in good condition.

**2.4** Caldic offers no guarantees as to the suitability and use of the packaging for a specific product. This is a matter for the choice and sole responsibility of the customer. The customer will indemnify Caldic against any third-party claim of any nature relating to the suitability and/or use of the packaging.

### 3 Return of packaging

**3.1** Packaging must be returned to Caldic, carriage paid (at the customer's expense), clean and in good condition. It must be closed and completely empty, with no product residues or gases. Caldic has the right to refuse to take back packaging, to withhold all or part of the paid deposit and/or to reclaim additional costs if the returned packaging does not meet the aforementioned conditions.

**3.2** Packaging must be returned within a period of six months. After six months, the packaging will be regarded as lost and Caldic will have the right to refuse to take it back, to keep the deposit and in addition to recover any additional loss or damage incurred by Caldic.

### 4 Return of packaging at the time of new deliveries

**4.1** If (1) a return takes place at the time of delivery by Caldic of a new, equivalent order, (2) the empty packaging meets the conditions set out in Art. 4 and (3) the packaging is collected together at the unloading location, Caldic will take back the packaging with paid deposit at its own expense.

**4.2** In all other cases, the costs associated with the return will be borne in full by the customer.

### 5 Maintenance and repair costs

**5.1** Dirty, damaged jerry cans will not be taken back and will not be credited.

**5.2** Jerry cans with remnants or foreign products will not be taken back and will not be credited.

**5.3** Dirty, rusted or damaged tubs will not be taken back and will not be credited. Tubs with remnants or foreign products will not be taken back and will not be credited.

**5.4** For any missing cap from a jerry can or tub a cost of 1,25 EUR will be charged.

**5.5** The cost of any repairs to 500-1,000-litre IBCs as a result of damage to taps, seals, lids, metal frames, polyethylene containers, etc. will be borne by the customer and deducted from the deposit.

**5.6** If IBCs with remnants or foreign products are taken back, a cleaning cost of 65,00 EUR per IBC will be charged and deducted from the deposit.
